

1. Make three circles each bigger than the other.
2. Stack the biggest on the bottom smallest on top.
3. Make ten black circles, take two as the eyes.
4. Take eight as the mouth to make a smile.
5. Make three Black circles as buttons on the middle circle.
6. Now make one black smallish line and one box and stack them on the snow-mans head as a top hat.
7. Now make an orange side-ways triangle for the nose.
